INTERNATIONAL NEUROSCIENCE CONGRESS

INTERNATIONAL NEUROSCIENCE CONGRESS (NEURO-2024)

It is our pleasure to welcome you to the International Neuroscience Congress (NEURO-2024), which will take place from 28-30 November 2024 in Tbilisi, Georgia. NEURO-2024, the largest international neuroscience meeting in Georgia, will be held under the slogan **“Unlocking the Mysteries of the Brain”**. NEURO-2024 promises to be an inspiring and intellectually stimulating event that brings together leading minds from around the world to explore the frontiers of neuroscience. Our congress, held in conjunction with the 5th Annual Meeting of the International Center for Neuroscience Research in Georgia, will feature a comprehensive program that includes keynote speeches, cutting-edge presentations, engaging panel discussions, and interactive sessions. This gathering serves as an exceptional platform for professionals, researchers, and experts to network, share their latest research findings, and foster collaborations that will drive the field of neuroscience forward. We are excited to delve into three main themes: Recent Advances in Brain Disorders and Therapy, Neurotechnology and New Discoveries in Neuroscience, and Neurosurgical Innovations: 21st Century Challenges and Solutions for Functional Neurosurgery. These topics highlight the most significant areas of contemporary neuroscience and neurosurgery, promoting a deeper understanding and innovative approaches to addressing current challenges. We look forward to your active participation and contributions to the program through abstract submissions for oral and poster presentations.

Together, let us make NEURO-2024 a memorable and impactful event. Join us in Tbilisi, where the rich history and vibrant culture of Georgia will provide a beautiful backdrop for our scientific exchange.

Looking forward to meeting you in “NEURO-2024” in beautiful Tbilisi!

Warm Regards,

The Organizing Committee of NEURO-2024
